ROLAND PERSSON

WHY ARE WE BLUE COAT?

Bluecoat is Liverpool's centre for the contemporary arts and is home to a year-round programme of exhibitions, music, dance, literature, live art and heritage events. The LB2021 artists on display here in Bluecoat have made works to show how all living things are connected, from our bodies to our food, the land and the earth.

Take a picture with your favourite artwork! Your grown up can share it with us using #LB2021 on Instagram

Draw your favourite artwork from today!

Are you remembering to count yourself and your grownups in your nature spotting? You are part of nature too!

On your way home, see how many parts of nature you can spot. Write a few of them here!
